

6th Texas District Newsletter

November 2024

Blake Krass, Master

Web pages to bookmark

- [Austin Chapter website 4th Degree page](#)
I maintain this page for District 6. The rest of the site has useful info for Councils in the Diocese of Austin.
- [Austin K of C Facebook group](#)
This public group was set up by the Diocesan Deputy. It is mostly for Councils, but I post District info there regularly too.
- [District 6 newsletters](#)
I'll upload all the newsletters I send out.
- [Fillable Form 4](#)
The Mississippi State Council created this; it may simplify things for you. Everything except signatures is included and it has an added field for email address.
- [Assembly forms](#)
All the forms you may submit over the course of the year are included here. Form 186 is not listed – you should submit it via Officers Online.
- [Drill Manual](#)
This version covers the changes related to the uniform vs the previous regalia.

Rally for Life

This annual event will take place January 25th in Austin. The Texas Alliance for Life has more info [here](#) and the Diocese of Austin has info [here](#) about the Masses taking place that morning.

The Knights always lead the march. Current and former District Masters march first with any Bishops, followed by Knights in uniform. I hope to see lots of District 6 Knights there. Even if you don't join us in the uniform, it's worth coming to support the cause.

February 15th exemplification

The trifold for the exemplification in College Station is on the Chapter link on the left.

Civic and Star Assembly awards

The timetable for 4th Degree items is slower than for Councils, as the staff at Supreme for us is tiny. These awards for the 2023-24 FY have not gone out yet.

Some reminders

As I said last month, I plan to send a one-page newsletter monthly though I sent three of them out of the gate. Some things from last month:

- To all: My background and personal goals and some info on the District.
- To FCs: Info about forms and Officers Online, a request for softcopies of Form 186s and audits, and info about how to get any credit balance refunded.
- To CCCs: Lots and lots of info related to the uniform and fallouts.

District Master fund

To say I'm starting out with nothing is not an exaggeration. I know many Assemblies donate \$2/member to the District Master fund every spring. If you normally do this, and wouldn't mind doing it soon, I'd greatly appreciate it.

As with the exemplification, you can send me a check with "Master's Fund" on the memo line:
