

6th Texas District Newsletter

May 2025

Blake S Krass, Master

Upcoming exemplifications

- June 14th in Dallas (Farmers Branch)
Details are on the District 6 webpage. District 6 candidates will join the ones from District 3. We need at least 125 between the two Districts. *The Supreme Master will attend.* We will not have a local one until fall and it will not be announced for another two months, so don't wait if you can make this one, especially at the northern end of the diocese. Please get Form 4s to me this month!

Civic Award and To Be a Patriot Award

Every active Assembly should submit for the Civic Award. Send it to me if you want me to review it before you submit it to Supreme.

I received six To Be a Patriot award submissions:
2766 (Belton): Flag Day activities
2767 (Austin): Wreaths Across America
3314 (Bastrop area): Patriotic Rosaries
3533 (Austin): McGivney Relic
3641 (Kyle): Pocket US Constitutions
3668 (Cedar Park): Flag Retirement

All were well-done, fine projects. I submitted the one from 3314 to our VSM to represent District 6. I feel it has the best chance of being chosen by him from among his seven TX/OK submissions to be sent to the Supreme Master to compete against entries from the other dozen or so VSMs. Thanks to all of you who participated and congratulations to 3314!

Resolution of Condolence

I found fillable versions of this form at different state sites and posted docx and pdf versions at the District 6 web page. The Supreme website only has a fillable version for Councils.

Upcoming Diocesan fallouts

May 17th Transitional Diaconate Ordination
- 10am at St Vincent de Paul/9:30 fallout time.
June 14th Priestly Ordination
- 10:30am at St Vincent de Paul/10am fallout.

Please let me know of fallout requests in your area so I can help get the word out to nearby Assemblies. I will attend any that I can.

Elections and Installations of Officers

Reminder: Elections must be held at your May meeting, then the FC should use Member Mgmt to submit next year's officers. Please send me a copy - I need to track these and bring them to the state organizational meeting in July.

IRS Form 990

Due by May 15th if you file for the calendar year.

District Master Fund update

College Station/Hearne Assembly 2041 was the tenth one to donate to the DM Fund, making a total just over \$2,200. I greatly appreciate all of these as they helped me get settled. Any other Assembly wishing to donate can send me a check with 'DM Fund' in the memo line.

My status

I will have two Assemblies left to visit in person after May 5th: Lockhart/Luling and Bryan. I will visit these by the end of June.

I've driven about 1,900 miles over the past two months for various Knights-related activities.
