

# 6<sup>th</sup> Texas District Newsletter

June 2025

Blake S Krass, Master

## Upcoming exemplifications

– June 14<sup>th</sup> in Dallas (Farmers Branch)

Unfortunately, we only have three candidates participating – from Round Rock/NW Austin.

## Form 186s and Civic Awards

I have gotten these from about 1/3 of you so far. I am tracking everything in a spreadsheet; I will also use it in July to track audit forms.

This month I will watch meeting nights so I can send reminders a day or two before you meet.

## Upcoming Diocesan fallouts

June 14<sup>th</sup> Priestly Ordination

– 10:30am at St Vincent de Paul/9:30am fallout.

I said earlier to be there by 10am, but 9:30 is better since it will be very crowded and we will line up around 10:15.

## District Master Fund update

Thanks to everyone who participated. I cleaned up all the old stuff and had enough funds to buy the items needed for the new exemplification. I am still in the black – though just barely.

## My status

I will visit the Lockhart/Luling Assembly in early June and the Bryan Assembly in late June. I will try to make second visits by next spring.

My ankle is coming along okay. I started using the walking boot in late May. Next podiatrist visit is June 13<sup>th</sup> to see if it is healing cleanly.
