

6th Texas District Newsletter

December 2025

Blake S Krass, Master

Exemplifications

-- January 10th in Cedar Park
Details are at the website. Some Councils do not meet in December, so please make sure you are working with your Councils for candidates.

-- January 31st in Canyon Lake
You need to work through me if you are sending anyone since it is in a different District.

-- May 2nd in West (details not finalized yet)

Looking ahead – Report of Programs

Every Assembly needs to submit a Form 1728 for the 2025 *calendar* year in January. See the November newsletter for more details.

Looking ahead – Civic Award

I also covered this in the November newsletter. You can submit it to me to review as soon as you take time to write it up.

District meeting

April 11th from 9-11am I will host the biennial District 6 meeting at St Elizabeth in Pflugerville. They have moved us to the parish hall instead of the new RE building second floor.

My status

I have one Assembly visit planned for this month. I owe two Assemblies a second visit in early 2026. I will ask my Marshals to cover some of the Assembly meetings next year.

My contact info

bkrass@swbell.net / 512-657-7472
1107 Twin Creek Dr / Pflugerville TX 78660
District web page: tinyurl.com/texasdistrict6

March/Rally for Life

We fall out for this every year in late January. More details will be in January newsletter.

Billing cycle

The 2026 billing cycle kicks off this month – a busy time for FCs. If any of you are new to that position, I will be glad to offer some pointers if you cannot get them from your predecessor.

Proper protocol – Raising issues

The Vice Supreme Master has asked us to stress this. If any Assembly member has an issue, they should first bring it to their FN.

The on-line Officers Desk Reference (ODR) is a great resource for the FN, who can also come to me. The member can come to me if they disagree with the FN's position or their concern has to do with the FN.

If I do not resolve it or they do not like my answer, either of us can go to the VSM. If any Assembly member goes to the VSM with an issue, I guarantee his first question will be to ask what the FN and the DM said about it.

Proper protocol – Submitting forms

Any of you who were FSs got used to cc-ing forms@tkofc.org on every form submission. The State Office is three people, one of whom handles forms for all Councils in Texas. We should not send her any Assembly forms.

I hope all of you have a blessed and a merry Christmas. Thank you for all your work on behalf of your Assembly!
