January 2026

Blake S Krass, Master

## Happy New Year!

I hope everyone enjoyed the holidays and had a chance to recharge their batteries.

## Exemplifications

-- January 10<sup>th</sup> in Cedar Park

We only got 40-45 candidates, about 25 fewer than I had hoped for.

-- May 2<sup>nd</sup> in West (details will come out soon)

## March/Rally for Life

This annual event will be January 24<sup>th</sup>. Thousands of people from across Texas participate. Sir Knights in uniform (minus swords) will lead the march. Everyone is encouraged to attend. Details are [here](#).

## District meeting

April 11<sup>th</sup> from 9-11am I will host the biennial District 6 meeting at St Elizabeth in Pflugerville. We will meet in the parish hall. The Vice Supreme Master will attend. We need to nominate three candidates to replace me September 1st. I will send more info next week.

## District Master Fund

I welcome any donations from Assemblies. Some of you do that in the spring.

## My status

Because of conflicts at my end, there are still two Assemblies I have only visited once (Bryan and Horseshoe Bay/Marble Falls).

## Report of Programs due this month

Every Assembly needs to submit a Form 1728 for the 2025 *calendar* year by the end of January. More info is [here](#).

This is for *Assembly* activities only, making it easier. If the FC spends more than an hour on this, he is being too anal.

You need not go crazy trying to be precise. If you have something that could go in two places, just pick one.

The FC can get dollar figures from the Purser or determine them from his vouchers. Take your best guess on hours/meetings/visits/fallouts. Be generous on the non-\$ information because you are probably overlooking some items.

## Looking ahead – Civic Award

Knocking this one out at the same time as the 1728 makes sense. Tips are on the forms page referenced above for the Report of Programs.

You only need a sentence or two for reach of the four lines and you do not need to attach pictures or additional information – that comes into play with To Be a Patriot submissions.

## Billing cycle

We are in the middle of the first round of the 2026 billing cycle. If you have any questions or issues, please let me know.

## Last year's awards

I received the Civic Awards, but they all had an error. I should have the new ones by the District meeting in April and will pass them out there.

I have not received Star Assembly awards yet.
