

6th Texas District Newsletter

June 2026

Blake S Krass, Master

Next exemplification

Everything for the August 1st exemplification at St Elizabeth in Pflugerville is posted at the District website.

Diocesan fallouts

The priestly ordination was the last of the diocesan fallouts for the fraternal year. We had a great turnout of about 50 SKs.

District Master fund

Assembly 3533 donated recently, making 14 Assemblies since September. These help cover my travel reimbursement expenses. Thanks!

Installations

I have numerous visits scheduled between now and early August.

My status

I am traveling the middle part of August. I will slow down the pace of Assembly visits after that – maybe a couple a month.

Civic Awards

I have only received 12 so far. The due date to Supreme is June 30th, but the window for resubmitting if they do not like something is quickly dwindling. The May 29th Supreme Master newsletter had Civic Award tips and I also posted some on the forms page.

Star Assembly status

My unofficial tally has eight Assemblies qualified, with two others that only lack a Civic Award submission.

2026-27 lists of officers

As of June 8th I am only lacking four Form 186s.

Patriot 250 challenge

Don't forget about this if you do something this summer that would qualify.

Congratulations to Assembly 3109!

I chose the "Raise the Flag at Eagle Rock" To Be a Patriot submission from St Thomas Aquinas Assembly in Wimberley to send to the VSM for consideration vs those from his other six Districts. He chose this one to send to Supreme as his Provincial entry. The Supreme Master will choose the winner from among this one and those from the other 22 Provinces, 15 of which are located in the United States.
