

6th Texas District Newsletter

September 2026 Blake S Krass, Master

It is official

I have been reappointed as District 6 Master for another two years effective September 1st. It will end up being two months less than that if they align our terms with the regular fraternal year. If that happens, my term will end June 30, 2028, instead of August 31, 2028.

Last exemplification

Other than a few from my own Assembly, the new SKs from the August 1st exemplification are now shown on the September 1st rosters. A couple in 2767 and 3109 (and mine) show the Fourth Degree date as 8/26 instead of 8/1. I have submitted a request to fix those.

Next exemplification

The next EoP (Exemplification of Patriotism) will be October 17th at St Paul in South Austin, which is a couple of miles west of Southpark Meadows. The flyer is at the District web page.

District Master fund

Assembly 2784 recently made a donation. Thanks for all the help. For the first time since I became Master, I have just over \$1,000 in my account, and most expenses for the next two exemplifications have already been paid. It has been a long, slow climb to get to this point.

My status

For the next few months, I will focus on CUFs over Assembly meetings. I had ~3,700 miles of DM-related travel in the past six months.

Fallouts/Special events

Several special events are coming up involving traveling relics. Examples (there may be others):

- Relics of St Mother Teresa and St Carlo Acutis 9/1 at St Paul.
- Relics of St Francis of Assisi, St Clare, and St Carlo Acutis (part of the commemoration of the 800th anniversary of the death of St Francis of Assisi):
 - 9/10 at St Ignatius Martyr.
 - 9/11 at St Mary (Taylor).
 - 9/12 at Cristo Rey.
 - 9/13 at St Mary Cathedral.
 - 9/14 at St Theresa.
 - 9/15 at St William.
 - 9/16 at St Mary Catholic Center (College Station).

So far, the only one where we have been asked to fall out for is Friday, September 11th, for the Archbishop of Assisi, Italy, for the 7pm Mass at St Mary in Taylor. If you receive any other requests, please let me know ASAP.

Quotas/Star status

I sent a separate note to FNs and FCs with updated Star status. Everyone got the first step – updating the list of officers – done by the end of June. But it looks like not everyone got the next step – submitting their audit report – done by the end of July. If you did not complete your audit yet, please do so now even though it is after the deadline.
